Elba Rescue Squad workers rip out the windshield of a 1980 Buick LTD in an effort to remove the driver from the wrecked vehicle. Witnesses at the Monday, Oct. 26, one-car accident stated that the car, driven by Iris Thomas Tanks, age 68, of Montgomery, was traveling north on Highway 87 and while attempting to pass another vehicle left the roadway and struck a driveway. Mrs. Tanks was taken to the Elba General Hospital with leg injuries and numerous lacerations and later transferred to Montgomery.

### Coffee County man arrested after holding wife hostage at knifepoint

The 3-day search for a Coffee County man and his estranged wife came to an end last Wednesday night (Oct. 21), when law enforcement officers found the couple at the man's rural Coffee County home with the man holding a butcher knife to his wife's neck threatening to "cut her head off."

Coffee County Sheriff Brice Paul stated that Mickey Parks had apparently "hid" his wife, Deborah Parks, hostage since Sunday night, Oct. 18, after allegedly taking her from a trailer near the Jack Community. The couple had reportedly been separated for two weeks and Mrs. Parks had apparently moved into the trailer of Randall Lee. Parks reportedly entered the Lee trailer near midnight Sunday night and found his wife and Lee asleep and then allegedly struck Lee with a tire iron.

Sheriff Paul stated his department began their search for Parks and his wife after Lee was taken to a Troy hospital for treatment of head wounds and told authorities what had occurred. Parks' home was searched on Monday and Sheriff Paul stated he felt Parks was hiding his wife in the woods near the house during the search.

Paul reported that he believed Parks hid in a wooded area in Pike County on Sunday night and Monday morning and moved his wife constantly during the next three days.

When law enforcement authorities found the couple Wednesday night Parks was crouching in a corner of a bedroom and holding a knife to his wife's throat. Parks reportedly told the authorities he

"should have killed her while I had the chance," but after approximately 90 minutes of talking the man decided to give up and put the knife down.

Mrs. Parks was reported to be hysterical while being held in the bedroom and fainted after her husband dropped the knife. Mrs. Parks was later transported to an Opp hospital and then transferred to a Troy hospital, where she is reported to have a broken hand along with numerous bruises and lacerations.

Parks, age 30, is being held in the Coffee County Jail under a \$30,000 bond and is being charged with first-degree assault in connection with the beating of Lee. Other charges are pending.

**Saturday is night to trick or treat in Elba**

Mayor Bob English has proclaimed Saturday, Oct. 31, as time for Trick or Treat in Elba. Hours will be 5 to 7 p.m.

### Comm. Bryan opposes purchase

The subject of a new county health department for the City of Enterprise surfaced once again at Monday's meeting of the Coffee County Commission and after a heated debate the commission agreed by a vote of 3-2 to make an offer of \$240,000 for the purchase of an old Masonic Lodge building, located near the Enterprise Recreation Center.

The commission gathered last week at the office of County Attorney Warren Rowe to discuss redistricting plans for the county and methods of identifying voters in each district. I wasn't able to attend the special meeting, but if I had I would have opposed the action.

"I have checked with a contractor and he has told me it would cost approximately \$250,000 to build a building of identical size, added Commissioner Bryan, "and to spend almost the same amount for an older building doesn't make good sense. If

black and white where we will save \$500,000 by buying the building under discussion! I think the commission was out of order to go look at the building when they were supposed to meet to talk about redistricting plans and methods of identifying the voters in each district. I wasn't able to attend the special meeting, but if I had I would have opposed the action.

"The price to buy the building is too high, and when you add renovation expenses and the cost of adding more offices the price tag will be more than double."

"I know it wouldn't be popular with many people," stated Bryan,

"but if the commission really wants to do what's best for all of Coffee County and unite the county, it would build a building at New Brockton which would house the health department, the Human Resources Dept., and the food stamp office. By placing the departments in one central location it would cut back on duplication of services and unneeded travel and give all residents in the county one place to go to handle much of their business.

"If the Human Resources building was vacant, the sheriff's department and the county jail could expand to the location and save the county both time and money.

"The commissioners who have pushed the purchase of the Masonic Lodge say one thing and present a lot of paperwork," declared Bryan, "but in truth there hasn't been any real research put into the total plans and just what the county will spend including renovation.

"I believe the commission should act in the best interest of all of Coffee County and I don't believe this purchase will do that."

The commission voted 3-2, with Sid Averett, Bill Faulk and Damascus Crittenden voting in favor of the purchase, while Bryan and Eagerton opposed the purchase. Commissioner Robert Stephens abstained from voting and reported he hadn't seen enough information on the matter to make a decision, while Commissioner Eugene Bradley wasn't present when the vote was taken.

### Arrests made in Damascus School fire investigation

The Coffee County Sheriff's Dept. announced Wednesday afternoon, Oct. 28, that two adults and two juveniles had been apprehended for their involvement with the recent fire that destroyed the old Damascus School.

Sheriff's Dept. investigator Buddy Ammons reported the four local males were apparently riding around the night of the fire and a witness and two of those apprehended stated the quartet was at the school near the time of the blaze.

Charged with arson second degree were Robert Dewayne Bradshaw, age 19, of Elba, and Ronald Joe Sanders, age 18, also of Elba. Petitions have been signed on the two juveniles.

The warrants for arrest were signed by the deputy state fire marshal and the arrests came after investigation by Coffee County Sheriff's Dept., the deputy fire marshal and the Elba Police Dept. Both men arrested are now out on bond.

Lewis sworn in... Chuck Lewis, the former chairman of the Coffee County Republican Committee, was sworn in on Oct. 15 as chairman of the Coffee County Board of Registrars. Lewis replaced B.F. Garth on the county board and was sworn in by Probate Judge Marion Brunson. Also pictured is Mrs. Helen Lewis.

### Casaday reports that Farm-City Week celebration will honor important resource

Farm-City Week is designed for Nov. 19-26 in Coffee County, and Tom Casaday says "Our food and fiber system accounts for about one-fifth of the nation's gross national product - some \$582.2 billion in 1983."

Casaday also said that agricultural production is more than twice the level of 1930, even though agricultural resource base has not substantially changed. Today, one hour of farm labor produces 16 times as much food and other crops as it did in the 1919-21 period.

"Last year," he continued, "American consumers ate an average of 152 pounds (retail weight) of beef, veal, pork, lamb and mutton; 67 pounds of chicken and turkey; 81 pounds of fresh fruit (plus 48 pounds of processed fruit and juice); 101 pounds of fresh vegetables (plus 57 pounds of canned and frozen vegetables); 310 pounds of dairy products and 75 pounds of potatoes. The consumer also used an average of 15 pounds of cotton and one pound of wool."

"The farm worker now supplies enough food and fiber for 80 people, 21 of whom live abroad," Casaday went on. "Only 10 years ago the farm worker was producing enough for 58 people."

Casaday is chairman of the farm-city observance.

### Federal warrants issued by FBI in local case

Coffee County Sheriff Brice Paul announced last week that a federal warrant had been issued by the Federal Bureau of Investigation for the arrest of James Randall Sanders for in-state flight to avoid prosecution.

Sanders is being sought in connection with his June 27, 1987, escape from a deputy sheriff's vehicle while the suspect was being transported to the sheriff's office for questioning. Sanders allegedly shot at Deputy Jack Herbert from the rear seat of a patrol car and escaped after Herbert surrendered the vehicle.

Sanders is charged with first degree robbery and kidnapping in Coffee County and at the time of his arrest was in possession of a questionable white substance and approximately \$20,000 worth of jewelry.

Sheriff Paul reported Sanders was last seen in Destin, Fla., in July seeking an apartment and urged anyone with any information to call the Coffee County Sheriff's Dept. or any law enforcement agency.

### Replacement of bridges stirs emotions at commission

The replacement of wooden bridges on dirt roads in the county was a major source of discussion at the meeting of the Coffee County Commission on Monday, Oct. 26, as the commission accepted bids on approximately \$30,000 in bridge materials and made new plans to replace four bridges in the county.

Items purchased to construct new bridges included steel piping, a ton of 60-penny nails, treated timber, pre-cast panels and crushed stone and the county engineer stated the bridges to be replaced would be on the Bird Mill Road in New Brockton was in dangerous condition and needed immediate replacement.

Averett stated the bridge was on an important route for many residents and made it impossible for school buses and mail carriers to travel from one end of the road to the other.

Commissioner Jimmy Bryan voiced immediate opposition to the proposed change in plans and declared that the previous county engineer had inspected the bridges in the county and listed three bridges in District 1 as the worst in the county and added that the current engineer also listed the three bridges as those in need of replacing first.

"Roads have been closed because of the closing of the bridges and I feel that if a road has been closed due to the condition of a bridge that road has to be on top of the priority list," stated Bryan. "I've gone along with changes before and however, this latest change is nothing but politics and I don't think it's right."

County Engineer Mark Pool admitted that the bridge on Bird Mill Road was dangerous, but told the commission he had not included the bridge on his list of bridges to be replaced because the bridge was within the city limits of New Brockton and a recent attorney general's opinion had stated clearly that counties could not legally do work within city limits.

Commissioner Bill Faulk told Pool that "You and the attorney general don't make the rules in Coffee County" and backed Averett's motion that the

commission replace one bridge in District 1 and then move down to Bird Mill Road to replace the bridge in question before returning to two bridges to replace the remaining two bridges.

The motion passed by a vote of 4-2, with Averett, Faulk, Damascus Crittenden and Billy Eagerton voting in favor of the motion, while Jimmy Bryan voted against the motion. Robert Stephens abstained, saying he owned land on the road and felt he shouldn't vote, while Eugene Bradley was absent at the time of the vote.

Monday's bi-monthly meeting began at 9 a.m., and after the routine approval of minutes, spent almost two hours opening bids on numerous items ranging from patrol cars for the sheriff's department to a lowboy trailer for the highway department.

Successful bidders included Ed Sherling Ford, with a bid of \$23,350 for two patrol cars; Windham Lumber Co., with a bid of \$638 for one ton of 60-penny nails; Treated Timber Products, with a bid of \$14,978.22 for timber to build bridges; Joe Money, with a bid of \$21,982 for an asphalt distributor (including a trade-in of a paint-stripper); McGeehe, with a bid of \$19,800 for a heated asphalt tank; Clark Trailers, with a bid of \$17,796 for the purchase of a lowboy trailer; Heath Oil Co., with a bid of \$5,064 for 5,000 gallons of diesel fuel and 3,000 gallons of unleaded fuel, and Montgomery Ag-Spray, with a bid of \$13,470 for a herbicide unit.

Other bids opened were on crushed stone, with the contract being split between Vulcan Materials and Southeast Materials and pre-cast panels, with the contract being delayed until the next meeting.

County Attorney Warren Rowe told the commission that after careful study he had determined the county was at fault for an accident and recommended the payment of a claim filed by one of the owners involved. Rowe explained that a car topped a hill and was forced to swerve to miss county road machinery in the road, causing the car to collide with another vehicle.

There was reported to be no flagmen at the scene and Rowe stated since there were no flagmen the county was liable.

Commissioner Sid Averett reported that since the original priority list agreed upon had been posted, a new need had arisen and told the commission that the bridge on the Bird Mill Road in New Brockton was in dangerous condition and needed immediate replacement.

Averett stated the bridge was on an important route for many residents and made it impossible for school buses and mail carriers to travel from one end of the road to the other.

Commissioner Jimmy Bryan voiced immediate opposition to the proposed change in plans and declared that the previous county engineer had inspected the bridges in the county and listed three bridges in District 1 as the worst in the county and added that the current engineer also listed the three bridges as those in need of replacing first.

## Miss Lee Hosts

## Azalea Garden Club

The Azalea Garden Club met in the home of Mrs. R.H. Lee, President, Mrs. Patrick O'Riley, held a brief business meeting after the roll call and the committees gave their reports.

Mrs. O'Riley reported on the district meeting in Union Springs. She announced the November workshop with Doris Cooper in charge.

The club voted to continue to support National Arbor Foundation, the Coffee County Arts Alliance, and the Fall Harvest Festival, and make a contribution to the piano fund at the Elba Library.

Mrs. McCreary encouraged participation and financial support of the Turkey Walk for the Heart Fund. Mrs. O'Riley presented the Award of Distinction and the National Council of State Garden Clubs membership certificate the club had won at the convention of the State Federation of Garden Clubs.

Members present were Mrs. Kasper Anderson, Mrs. Walter Cox, Mrs. Lloyd Crook, Mrs. Billy Farris, Mrs. T.M. Miller, Mrs. Y.D. McCreary, Mrs. O'Riley, Mrs. Mary Prescott, Mrs. Oscar Vaughan, Mrs. Flounoy Whitman, Mrs. Charles Liether and Mrs. Nellie B. Martin.

## New Seasons Study Club Hears

## Program By Mrs. Coffee

The New Seasons Study Club met Monday, Oct. 19, in the lovely home of Mrs. Valerie McGuire, with Mrs. Gena Bimbo as co-hostess.

The meeting was called to order by the president, Mrs. Lynn Baker. Mrs. Patricia Nicholson gave the devotional.

During the business session Mrs. Jean Helms gave a committee report of the club's nominations for the Elba Jaycees' Man and Woman of the Year. Nominated by the club were Mr. Eddie Vaughan and Mrs. Lucia Grantham for Young Man and Woman of the Year, and Dr. D.H. Crook and Mrs. Ruth Anderson for

Man and Woman of the Year.

The club will participate in Elba's Fall Festival on Nov. 7 by sponsoring a magic show at the Senior Citizens Center at 11:30 a.m. Admission will be 50 cents for children.

The club will also participate in the Elba PTO Halloween Carnival by selling Halloween balloons, with all proceeds going to the PTO.

After a delicious dessert plate, the club heard an interesting program by Mrs. Sandra Coffey, coffee extension agent, on kitchen design and planning.

The meeting was then adjourned.

## Stirling - Oglesby Wedding Is Planned For November

Mrs. Avee Stirling of Birmingham and Mr. David Clayton Stirling of Montgomery announce the engagement of their daughter, Susan, to Mr. Greg Oglesby, son of Mr. and Mrs. Dawson Farris of Elba.

The bride-elect is a graduate of Fairfield High School and is presently attending the University of Alabama at Birmingham. She is a graduate of the Alabama Military Academy Officer Candidate School at Ft. McClellan, and Quartermaster Officer Basic School at Ft. Lee, Va. She is currently employed at the University of Alabama at Birmingham.

Miss Stirling is the granddaughter of Mrs. Verdie Stirling of Springville and the late Mr. Buford Kyle Stirling of Birmingham, and the late Mr. and Mrs. Luther Holladay of Hixson.

The future groom is a graduate of Elba High School and attended Enterprise State Junior College. He will attend Troy State University in winter quarter 1987. He is a graduate of Officer Candidate School, Ft. Benning, Ga., and the Field Artillery Officer Basic School, Ft. Sill, Okla. He is currently employed with Farris Bulldozer Co. of Elba.

Mr. Oglesby is the grandson of Mrs. Jessie Lee Donaldson and the late Mr. William Franklin Donaldson of Rt. 2, Elba, (Curtis), and Mr. and Mrs. Eugene Farris, Rt. 3, Elba.

The wedding is planned for Nov. 7 at Eastmont Baptist Church, Montgomery.

The Sanders-Dalton reunion was held at the Goshen High School luncheon on Oct. 11.

A beautiful luncheon was served to 125 registered guests.

Dr. Theo Dalton and his wife Sue had charge of the program which centered around the recent 200th anniversary of the signing of the Constitution of the United States.

Mrs. Susan Hill led the group in the pledge of allegiance to the flag of the U.S.

The next reunion will be held at the Goshen High School luncheon on the second Sunday of Oct. in 1988.

## Farewell Luncheon

## Honors Ann Beck

Mrs. Ann Beck of Elba, an employee of the Finance and Accounting Office at Ft. Rucker, has left for a job in Camp Zama, Japan, and was honored with a farewell luncheon on Oct. 15.

The luncheon was hosted by the General Fund - and Stock Fund Sections and held in the ballroom of the Ft. Rucker NCO Club.

Among the approximately 90 guests attending were Ann's daughter, Lee Pritchard; her son and his wife, Scott and Patricia Beck; and cousins Charlotte Lynn and Gail Wilson.

Ann received several nice gifts as well as good wishes and Godspeed.

## Couple Entertained With Dinner At Pike Road

Miss Bunny Cox and Mr. Bill Suplit were entertained with an Italian dinner on Oct. 3 in the lovely home of Mr. and Mrs. Bob Cooner of Pike Road.

The party rooms were lit by candlelight and the Italian theme was carried out with red, white and green. Baskets of red spider lilies, red tobacco and ivy decorated the kitchen and dining room tables.

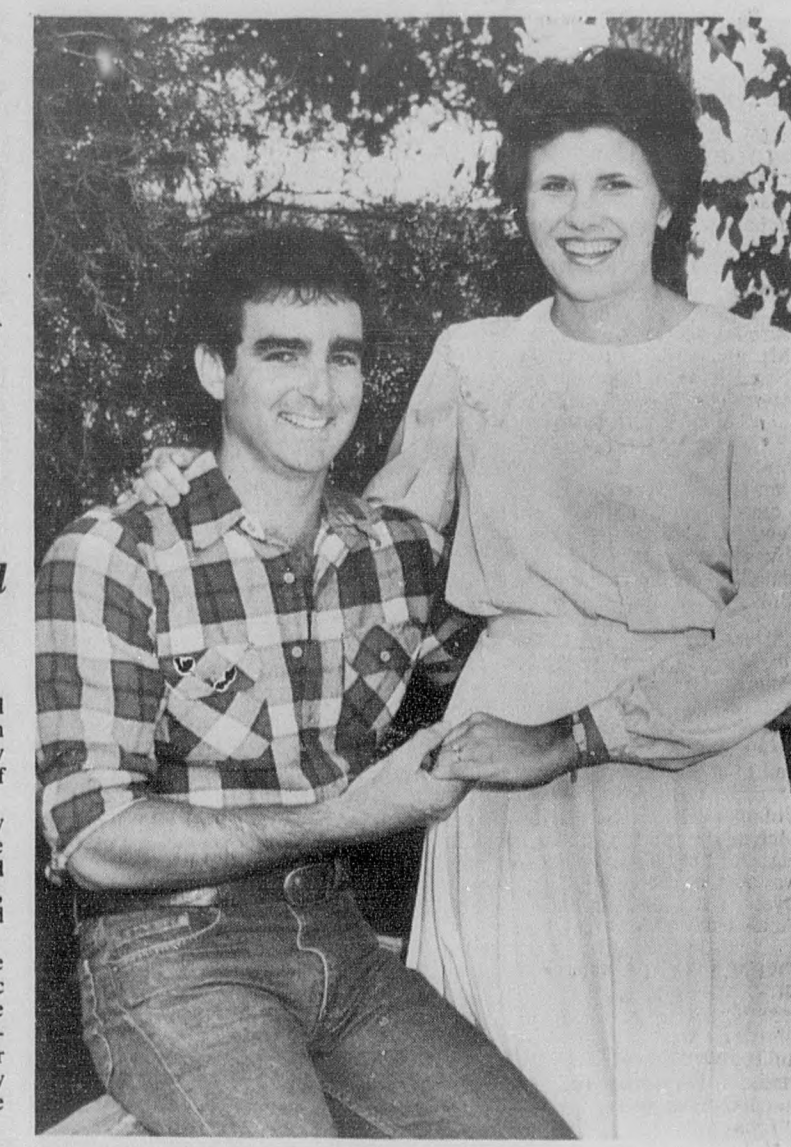

As guests arrived they were entertained with Italian, romantic and popular songs by Mrs. Carrie Miller, violinist with the Montgomery Symphony. Among her selections was "Ballerina Girl" by Lennell Ritchie, a favorite of the honored couple.

Guests enjoyed tea, punch, cheese and crackers in the sun room where tables were set with red-and-white checked tablecloths, green napkins and cups, and miniature vases filled with red spider lilies.

A buffet dinner of lasagna, tossed green salad and homemade spinach-tomato bread was served, followed by strawberry/blueberry trifle for dessert.

Other hostesses were Mr. and Mrs. David Christenberry of Montgomery; Mr. and Mrs. Joe Whitley of Monroeville, and Miss Beverly Cox of Atlanta, Ga.

Among the guests were the bride's parents, Mr. and Mrs. Walter Cox and brother, Steve Cox, all of Elba. Other guests included friends from Montgomery, Mobile and Auburn.

## Class Of '57 Honored At Homecoming

The Elba High School graduating class of 1957 was honored Oct. 9 during annual homecoming activities.

During planning meetings, members had brought items that helped them remember their high school days together.

Activities began with a tea at the Home Economics Dept. at the school, with Mrs. Mary Young, Mrs. Ann Dye, and Mrs. Mickey McCollough hosting the affair. Mrs. Helen McCollough, who was a senior sponsor her first year in Elba High School (1956-57) joined the group for the tea.

"This was really the most exciting time," said a classmate, "because we met classmates we had not seen since graduation!" Refreshments and much talk were enjoyed by the group.

At 4 p.m. the class rode on the float especially prepared for them in the homecoming parade. This was the first time ever for some of us to ride in a homecoming parade," someone remarked.

An outstanding dinner in the high school cafeteria honored classmates and sponsors, and after the meal there was a time of sharing, where each classmate told a little of what had happened in their lives for the past 30 years. Melton Burch, who is married to classmate Mavis Bowden Burch, recorded this event with his video camera.

At 7 p.m. the class enjoyed the pre-game show at the football field, which included the presentation of Elba's homecoming queen and her court. Some of these had a special meaning to the class as Queen Beth Henderson is a niece of Frankie Donaldson Farris; her escort Wynn Grimes is the son of James Grimes; and in 1957 James Grimes, Jr., Peggy Courson Sheffield; and Mona Kelley, an attendant, is the daughter of Carolyn Hudson Kelley.

After the game members met in the lovely home of James and Henrietta Grimes, where they enjoyed delicious food and more sharing of memories.

Saturday evening was the climax to the weekend when the group traveled to Charlie and Becky Hayes' home for a homecoming barbecue. The outing began at the end of a lovely day just before the sun went down, and the beautiful sunset was enjoyed by the classmates in the country setting.

After the meal another time of sharing was held, and present on this occasion were Mr. and Mrs. Fulton (Catherine) Spurlin and Mrs. Brian (Sybil) Taylor. Mrs. Spurlin and Mrs. Taylor were teachers of the group, and shared some "hilarious but true" tales on some of the classmates.

The class of '57 had a total of 53 graduates, with 34 and some spouses attending the reunion. One member is deceased, Jackie Varnadore, who was killed in an auto accident in 1961. Three members were widowed at an early age: Nina (Cain) Brown, Mavis (Bowden) Burch, and Christine (Rowell) Nason, and two have lost children through accidents: Norman and Linda (Smith) Johns and Darrell Bryan and Chickasaw (just before the homecoming event).

Members attending and spouses were: Goodson, who traveled the greatest distance, from Burke, Va.; Jarrett and Janice Michel; Ft. Worth, Tex.; Lee and Elaine Brown, Indianapolis, Ind.; Bill and Susie Blair, Tallahassee, Fla.; Hal and Ann (Cowen) Scott, Graham, N.C.; Mary Joy Taylor, Leesburg, Ga.; Jimmy and Mary Jo Boswell, Ft. Walton, Fla.; Joel Beck, Tallahassee, Ala.; Byron and Jeanne Davis, Newton, Howard and Marise Prescott, Mobile; Lavon and Louise Shaddix, Andalusia; Douglas and Taryn Smith, New Brockton; Donald

## PASTOR'S CORNER

REV. GEORGE SEDBERRY  
 Elba United Methodist Church

"HEY, I MISSED IT!"

Let me say there are many folk that worry about perfection. Some people allow this to hinder them in their growth as a Christian. It is imperative for everyone to discover that we have a God who accepts us and loves us and offers grace that puts us on our feet and keeps us going even when we say, "Hey, I missed it. I really messed up."

I believe you have an influence on what others can become. In order to have the most positive influence requires one, first of all to be honest with self, to have a high degree of integrity. You can help others best when you accept the fact that sometimes you will fail.

Influence is powerful. There is Simon Peter, who when Jesus was crucified should have served as a

force in keeping the group together. Instead he decided he was going fishing and consequently took many of the group with him.

During Paul's ministry he continued to remind himself of how he on previous occasions persecuted the church. He also held the coats of people while they stoned Stephen to death. He didn't throw the stones, but he held the coats. He had contributed to the act by being a "keeper of the coats."

The world is seeking models that can say, "Hey, I missed it," but who are determined to go back the next time by the grace of God and attempt another go-around.

Don't be afraid of being an influence for Christ in today's world!

## Band Is Rated Superior Again

By: Jane Davis  
The Zion Chapel Rebel Marching Band scored a superior rating when they participated in the seventh annual Little Bighorn Marching Band Festival.  
The band met early Saturday morning at school to have a run-through of their show scheduled for 2:45 that afternoon.  
They arrived in Opp a couple of hours early so they could enjoy the performance of the Goshen Eagle Band. The band warmed up and got ready to take the field for competition.  
After performing the band received the afternoon off to watch the other bands and greet members from the many bands that were present.  
The awards ceremony was held at 8:45 p.m. after the Ono Marching

Band performed for exhibition. The Rebel Band received the scores of 90, 90 and 92 for the Superior rating of 1. They also received the mayor's trophy for Best in Class A with the overall score of 91.  
A trend of lower American College Testing (ACT) scores was noticeable over the last few years. It was feared that this trend might have been caused by the kinds of testing requirements that Zion Chapel had.  
An opinion that emerged from faculty discussion was that it was easy to memorize the information for a chapter test overnight and also that this kind of learning was quickly forgotten.  
School attendance was another area discussed.  
After discussing the exam issue at several meetings, the faculty and administration decided to follow these guidelines:  
A nine-weeks exam will be given at the end of the first and third quarters. This test should include all the material covered during the quarter.  
A semester exam will be given at the end of the second (midterm) and fourth (final) quarters. A semester exam should include all the material covered that semester.  
A nine-weeks exam cannot count more than 20 percent (1/5) of the nine-weeks average. A semester exam cannot count more than 20 percent (1/5) of the semester average.  
There will be no exemptions for the nine-weeks test given at the end of first and third quarters.  
There is a possibility of exemption for the semester exam given at the end of the second and fourth quarters in either of the following two instances:  
(1) An average of 93 and perfect attendance, or  
(2) an average of 93 and no more than the allowable excused absences during the semester.  
There was a favorable response from several members of the faculty who said they were able to detect an enhanced amount of studying and an improvement in attendance in some areas.  
Mark Hodges added the two-point conversion to put the Rebels ahead 16-0. The Rebels ended the season with a record of 2-4.

## Junior High Rebels Win Last Game Of Season

By: Jackie Parrish  
The Zion Chapel Junior High Rebels won their final game of the season over the Goshen Eagles. The victory was the second for the Junior Rebels this year.  
Zion Chapel got into trouble early when they fumbled on their own 30-yard line, but a few plays later Goshen had to turn the ball back over to the Rebels when Wayne Pope recovered a fumble.  
At the end of the first quarter Douglas Faulk recovered a fumble on Goshen's 38-yard line, but the drive stalled early in the second quarter

## Music Students See

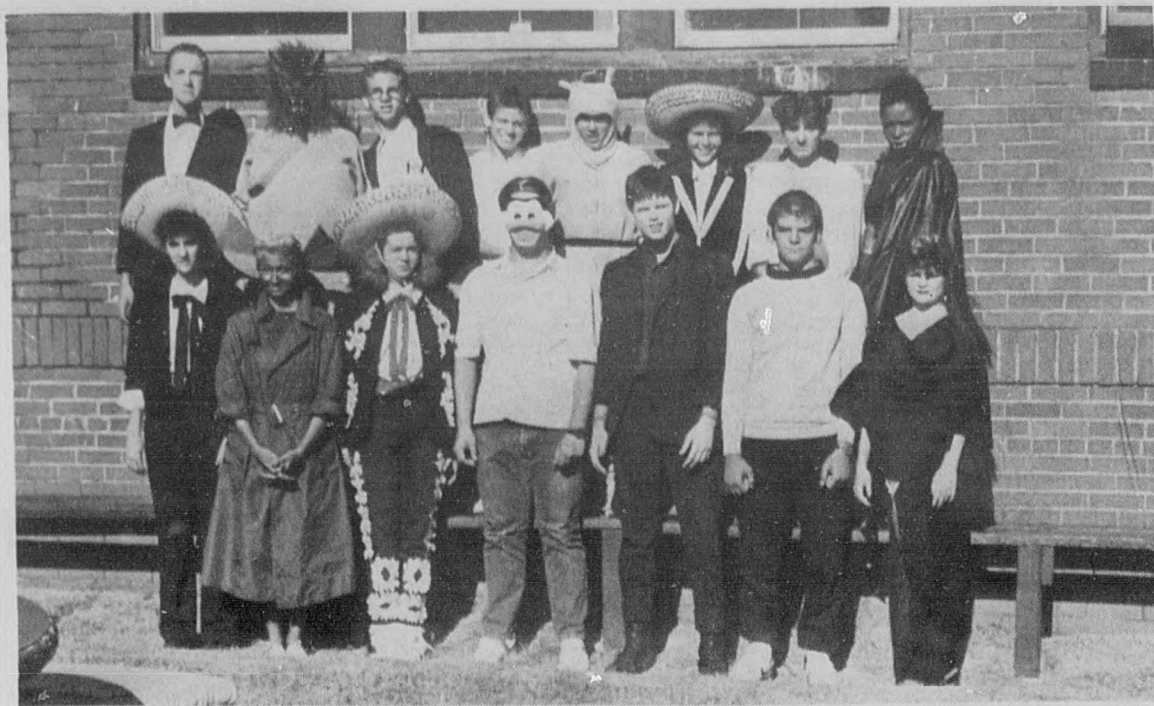

### Jazz Performer

By: Wayne Davis  
Band director David Seanoor took a group of students from the music department at Zion Chapel to hear Maynard Ferguson, a jazz performer. Students attending were Wayne Davis, David Jackson, Anthony Oliver, Randy Flowers, Lee Kelley, Steve Flowers, Wesley McWaters and Cade Shiver.  
Mr. Ferguson performed at Troy State University's Smith Hall on Oct. 20 at 8 p.m. He and his band performed several of their songs from their new album "High Voltage."  
Mr. Seanoor said he took the students because he thought it would be a great learning experience.

## Rep. From National Ed.

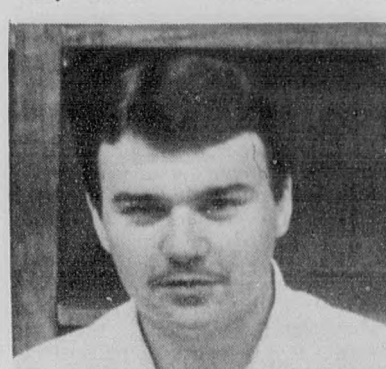

### Center Speaks

#### To Seniors

By: Gina Huckabaa  
The senior class was visited by James C. Henley, Community Relations Director from the National Education Center. The National Education Center trains more people than any other corporation in the world.  
Mr. Henley started a group discussion by asking the seniors, "How many of you are planning to spend the rest of your lives at home with Mama and Daddy?" He also asked how many were planning to get married in the near future. Then he talked about the economic facts of life.

Mr. Henley asked how much the seniors thought different expenses would be and then told them how much expenses possibly could be based on information gathered from various agencies.  
He explained the importance of getting a good education in terms of making enough money to cover the basic needs of food, clothing and shelter.  
Interest and information cards were given to the seniors if they would like more information from the center.  
During the presentation "warm-fuzzies" were given for participation and good answers. Afterwards everyone was given warm-fuzzies for being a good group.

Otherwise a 90 average is required. Jackson - Nerd; Timmy Goodson - Frankenstein; Sheila Acerman - Madonna; John Parrish - Howard the Duck; Tob Lowery - Spock; Ashley Wise - Freddie Kruger; Tate Gatlin - Ewok; Tammy Duncan - Elvira; Angela Rodgers - Grace Jones; Stephanie Goodson, Melissa Johnson and Gayle Pyfrom will portray the Three Amigos.

The Future Business Leaders of America (FLBA) surprised the high school teachers and faculty with a treat last Monday, Oct. 19.  
Monday was teacher appreciation day and the FLBA wanted to give the teachers a special treat for being such good teachers.  
Each teacher received a red plastic glass with their name on it, and containing a biscuit, a napkin and three or four pieces of candy. The FLBA insignia was pinned on the napkin.  
Many of the teachers said they appreciated the treat and thanked the FLBA members for their hospitality.

### Good Citizen

By: Gina Huckabaa  
Lee Kelley was chosen Zion Chapel's DAR Good Citizen by the senior class. He was chosen from a list of nominees selected by the faculty.  
The DAR Good Citizenship Award is presented by the Daughters of the American Revolution.  
DAR Good Citizens are chosen for their outstanding qualities of leadership, dependability, service and patriotism in their school, home and community.  
Lee will take an exam consisting of three parts. His personal achievements will make up 30 percent of his score; a citizenship quiz will include 20 percent and a written essay will earn the last 50 percent.  
Lee is a member of the Zion Chapel Rebel Band, the newspaper staff and library club, and an FLBA officer.

There was no other business and the meeting was adjourned.

## Mrs. Hamm's Students Write Japanese Poetry

Some of Mrs. June Hamm's third-grade students recently wrote some haikus, and wanted to share them.  
"Haiku is a form of Japanese poetry that has become very popular with children," said Mrs. Hamm. "It consists of only three lines: the first has five syllables, the second seven and the third has five syllables. It is usually about nature."

She has been a cheerleader for one year and is a member of Girl Scout Troop 300, Jr. Music Club, Mu Alpha Theta, the E Club and Sr. Beta Club. Although Michele has been a cheerleader for only a year she has shown lots of spirit and has cheered the Tigers on to many victories.

## Student Council Meets

The Student Council met recently and many items were discussed.  
The council voted to have an entry in the homecoming parade on Oct. 9, with Phil Bogan, Denise Smith, Lisa Machicote and Felisa Cole riding in the car.  
The Student Council also voted to help with the St. Jude Bike-a-thon which will take place on Nov. 7 by donating \$75.  
The council then voted for the officers to attend a luncheon and workshop at ESJC.

There was no other business and the meeting was adjourned.

The high school football season may be drawing to a close for many people across the state; however, here at the Clipper we are rechecking our cameras, buying new batteries and getting schedules lined up for our sportswriters in preparation for next week's playoffs. We may cover only five teams on a weekly basis, but Elba and New Brockton are already in the playoffs, and either Kinston or Brantley will clinch a spot Friday night. It's easy to have good sports pages when you cover championship programs!

### ELBA TIGERS SHOW BEST AND WORST IN WIN OVER ANDALUSIA

Many times after a ball game fans walking out will either say the game was the "best" or "worst" they've seen. Well, Elba fans last week had to be

numbing because the Elba offense played both the best and worst in the same game!

In the first half the Elba offense moved up and down the field almost at will in piling up a 27-0 lead over a very good Andalusia team. The Elba running game rolled up over 200 yards in the big first half and could have scored even more points, which had Tiger fans ecstatic! At the half everyone on Elba's side of the field was ready to proclaim their team the "best" to be found and with good reason; however, the balloons were quickly burst in the second half and the same fans were scratching their heads wondering just how good their team really was. In the second half the same Elba offense that rolled up a 27-point lead failed to make a single first down and totaled only 8 yards in total offense -- without a doubt the Tigers' worst offensive showing in many years!

It's hard to keep a group of teenage football players fired up when the score is 27-0 at the half, and while an overconfident attitude may have led to some of the problems, I feel it was simply a snowball effect after the first two fumbles. Once things started going bad everyone got a little shaken up and no matter what was said the enthusiasm that the players had in the first half was gone for good. Hey, a win is a win and even though the Tigers looked pretty bad on offense in the second half, it looked awesome in the first half and the average between the two still adds up to a win.

Okay, now to the game. . . Robert Wilson gained over 100 yards in the first half, and in doing so went over the 1,000-yard mark for the season in

only nine games! Wilson has looked outstanding all year and has surprised me with his speed and ability to run inside, but after nine games I'm convinced that "Mojo" is as good as any we've had and that's saying something. Keep it up Robert and we'll go a long way!

The Elba defense played as well as it has all season in the win against Andalusia, and despite allowing 14 points really gave a winning effort. In the first half the defense limited Andalusia to only 43 yards in total offense and then in the second half stayed on the field almost the entire half. Andalusia started drives at the Elba 28, 22, 26 and 17-yardlines in the third quarter as the Elba offense struggled, but allowed only one touchdown, with it coming on a busted play. In the fourth quarter the defense allowed a touchdown on a 29-yard drive after a 4-yard punt, but kept Andalusia from driving down the field and always seemed in control. The offense gave Elba the lead and the defense preserved it.

Summing up the win, I thought the Tigers showed a lot of ability and emotion in the first half and then showed a lot of pride on defense in the second half when things weren't going too good. That adds up to a team effort and team efforts usually add up to wins, so maybe it wasn't so bad after all!

### NEW BROCKTON AND KINSTON CHALK UP WINS

Every game seems important, especially late in the season, and such was the case last week as the New Brockton Gamecocks and Kinston Bulldogs claimed big wins. Here's what the games told me. . .

**\*\*New Brockton** showed it had been saving up some ammunition in its lopsided 42-2 win over Area runner-up Highland Home. The Gamecocks seemed to simply be going through the motions in recent weeks against weaker opponents, but in the Area title contest Friday night the Gamecocks displayed that old "Gamecock Pride" they talk so much about over in New Brockton, and I think the Gamecocks have a real shot at making it to the state finals.

**\*\*Kinston** has always been a hard team to figure out and I don't proclaim to understand 'em any better after the win over Arion; however, if the Bulldogs can play with the same emotion this week they could very well make it to the playoffs for the first time in the school's football history. A trip to state can spark a program to better things down the line and I'm sure the folks down in Kinston aren't even thinking about basketball yet.

**\*\*Zion Chapel** got ambushed over at Goshen and it looks like my bad feelings were more than just the flu. The Rebels are a lot better than a 48-12 score indicates, and while it's possible they were looking past Goshen to arch-rival New Brockton, that still doesn't explain such a big loss. This week will tell us a lot about Zion Chapel's future in football.

### PLAYOFFS HAVE A NEW AND SOMEWHAT CONFUSED LOOK

The high school playoffs begin next week and just when you get the whole thing figured out they go and change the brackets and the method used to determine home teams. This year the brackets have changed so that the teams in the same area won't run around and play each other in the second round. Last year Elba played Daleville in the last game of the year and then only two weeks later played them again in the playoffs. This year if the teams keep on winning in the playoffs, they won't meet again until the semifinals in Week 4. I'll admit I like the idea of not having to run around and play an area foe in the second round, and I'll also admit I like the idea of playing a team from another part of the state early in the playoffs. It's always fun to play a team you've never seen and that is what the change will do! In the past a runner-up team couldn't host a playoff game unless it was playing another runner-up team, but this year the state has changed the schedule so that after the second round the runner-up can host a game if it has traveled more than the team it is playing. The new travel rule will make it hard to make plans more than a week ahead, but it could also change the whole method of deciding who hosts the finals. Oh well, we'll just wait and see!

### IT WILL BE EARLY TO BED FOR CAGERS IN GEORGIA

The Georgia Dept. of Education made headlines last year when it adopted a new rule limiting the hours of night school basketball games could play. Now, the same board has again made the headlines with a rule that states a curfew of 9 p.m. will be in effect for all high school basketball games this season. Under the new regulation a game in progress at 9 p.m. will end at that point and the team ahead will be declared the winner; if the score is tied the game will be called "no contest." The question I have is, "Whose watch will you go by?" Seriously, I think the whole idea is stupid!

### ELBA JUNIOR TIGERS FINISH WITH 7-0 RECORD

The Elba Junior High football team finished its season last week with a perfect 7-0 record and think all the coaches and players are to be congratulated! Not only did the Junior Tigers go undefeated, they outscored their opponents 123-16 and allowed only 155 yards rushing all season in the seven wins. Coach Willie Tyson has coached the Junior High Tigers for the past three years while serving as assistant principal, and has led them to 15 wins and only 4 losses. During the past two seasons the Tigers are 12-1, quite a feat and quite an accomplishment for Coach Tyson and his coaching staff.

### ENOUGH SUFFERING IS ENOUGH FOR BRAVES FAN

During a routine case in traffic court last week in Atlanta a man was being charged with ignoring a "Do Not Enter" sign at the stadium during baseball season. The accused declared he entered the same street throughout the season and even brought witnesses who testified they too had traveled with the accused on the streets in question. The accused told the judge he used the streets 30 to 40 times during the past season and when a witness agreed the judge in the case stated that since the men all went to 30 to 40 games a season he wondered if the accused would enter an "insanity plea!" Anyway, the judge agreed that enough punishment was enough and the charges were dropped.

### YE OLE POLISH PROGNOSTICATOR READY FOR WEEK #10

Ye Ole Polish Prognosticator hit on 22 of 27 picks last week and has finally settled into a groove. This is the last week of the season and that means there are several big games, so maybe if my luck holds out I'll go out in style. Here goes. . .

### ELBA VS. DALEVILLE

The Tigers are on an 8-game winning streak and appear to be better than ever, while the Warhaws are flying high after another successful year. The homefield advantage is always a big factor, especially for Daleville, but I think the Tigers have too many weapons for the Hawks and will come out with a win in a wild one!

### Elba 30 - Daleville 22

### NEW BROCKTON VS. ZION CHAPEL

Talk about a rivalry! New Brockton needs a win to post its first undefeated regular season ever and the Rebels would like nothing better than to knock off the Gamecocks and spoil the fun. Zion Chapel has displayed its talent at times needed to pull off an upset; however, this year all the signs point toward New Brockton!

### New Brockton 35 - Zion Chapel 7

### KINSTON VS. BRANTLEY

The winner takes all in this Area showdown and it will be interesting to see which team wants it the worst. Kinston has been up and down all year and definitely has the talent to win, while Brantley has struggled to one of its worst years ever. On paper it looks like an easy pick, but I think this one's going down to the wire.

## Tigers Explode Early & Hold On To Dump Andalusia 27-14

Elba's Wade Hart (76) boots an extra point out of the hold of Jason Johnson (12) to give Elba an early 7-0 lead during last week's 27-14 win over Andalusia. The win upped Elba's record to 8-1 for the season.

### Elba's Coach Wood States Tigers Will Have To Play Best Game To Defeat Daleville For Area Title

The Elba Tigers and Daleville Warhaws will meet Friday night at Daleville to decide the Class A, Area 4 football championship. In Elba's Coach Mack Wood warns that the Warhaws of Coach Johnny Sanders are an outstanding team and that the Tigers will have to play their best to have a chance to win.

"Daleville has an outstanding team in all areas and is just about as good as any team we've played this season," stated Coach Wood. "They have obviously played very well all season to win as many games as they've won, and with it game in Daleville we know they'll be especially fired up and ready. It will be a classic battle for the Area 4 championship and I don't believe we can beat Daleville unless we have a total team effort and play as well as we possibly can on every play."

"Offensively," stated Wood, "they run out of an I formation and have a balanced attack that they have the backs to run side and in the middle and a quarterback who can run the option and at the ball in the air. Their fullback Molland may be the best we've faced and you know they've got it speed with Walker. Daleville's offense can put points on the scoreboard in a hurry and is a solid unit."

"Over on defense Daleville has good size and is versatile. They move people around and block, while they also have outstanding kicking game, giving Daleville all the ingredients you need to win."

Ye Ole Polish Prognosticator hit on 22 of 27 picks last week and has finally settled into a groove. This is the last week of the season and that means there are several big games, so maybe if my luck holds out I'll go out in style. Here goes. . .

The Elba offense put 27 points on the scoreboard in the first half and then took the night off as the Tigers defeated the Andalusia Bulldogs 27-14 Friday night to spoil the Bulldogs' homecoming party.

The win was Elba's eighth straight and upped their record to 8-1, while the loss was the third straight for Andalusia and dropped their slate to 4-4.

The Tigers received the opening kick and wasted no time getting on the scoreboard as they marched 65 yards in only 4 plays. Senior tailback Robert Wilson was the workhorse of the drive with 63 yards on 3 carries and scored the touchdown on a 53-yard scamper!

Wade Hart added the extra point and before the Andalusia homecoming court could find its seats the Tigers were on their way with a 7-0 lead with 10:11 left in the first quarter.

Elba got the ball back at its 37-yard line following a Bulldog punt and stunned the Bulldog defense by driving 63 yards in 6 plays to add to its advantage. Robert Wilson gained 19 yards on two plays to get the drive off to a quick start and after a 25-yard run by Jason Johnson the Tigers had the ball first-and-10 at the Andalusia 20-yard line.

Wilson got the call again on second down and waltzed untouched into the end zone for his second touchdown of the quarter!

Wade Hart's extra point attempt sailed wide, but with 5:36 still left in the opening stanza the Tigers were ahead 13-0.

Elba moved to a first down at the Bulldog 26-yardline late in the first quarter and appeared ready to blow the game open; however, a 6-yard loss on a fumble slowed the march and on fourth down Elba was stopped cold to kill the threat.

Elba's Troy Sanders recovered an Andalusia fumble at the Bulldog 39 early in the second stanza and this time the Tigers cashed in on the scoring chance to up their lead to 19-0.

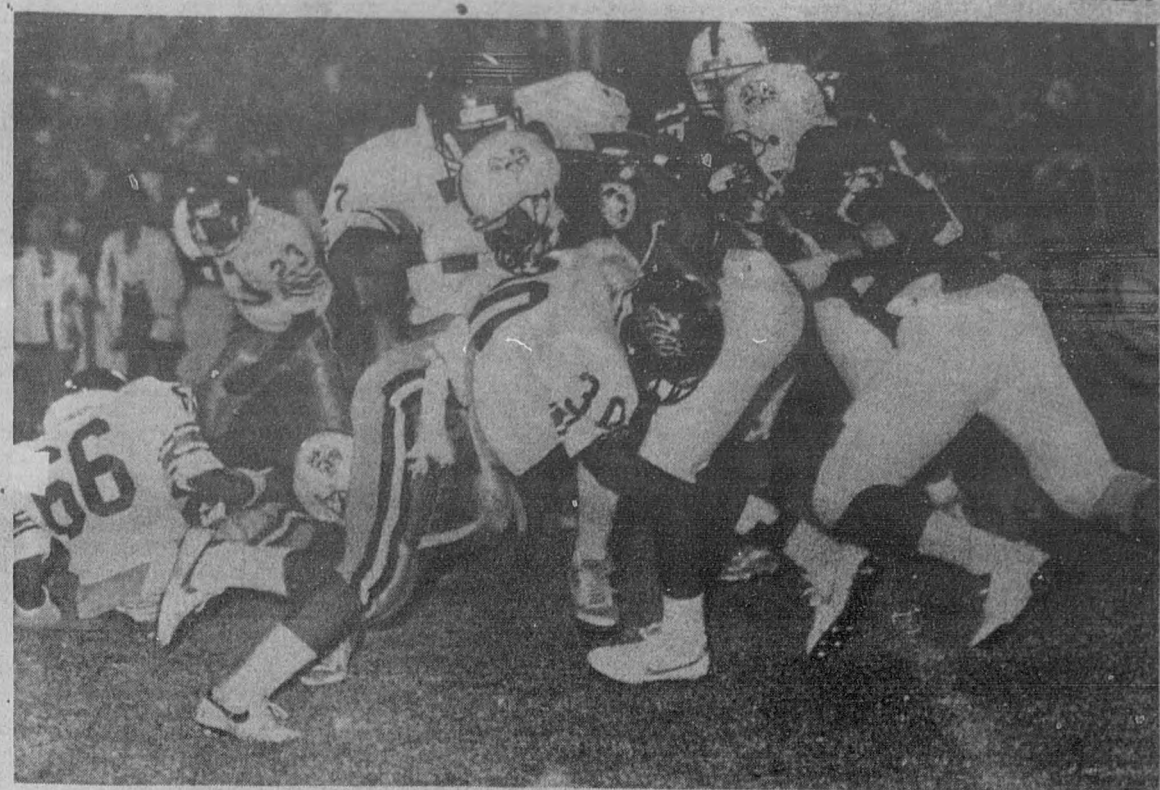

Leon Coleman and Jason Johnson combined to gain 37 yards on the short march and Robert Wilson scored the touchdown on a 1-yard drive to extend the Tigers' lead.

A two-point pass fell incomplete, but with 6:46 left in the half Elba was in command with a 19-0 bulge.

Elba's Troy Kelley returned an Andalusia punt 24 yards to the Bulldog 38-yard line midway through the stanza and the Tigers needed only 4 plays to tie the game. Reggie Horstead gained 19 yards on 3 carries during the scoring drive, while Anthony Brooks got the touchdown when he burst through a hole in the middle and raced 19 yards into the endzone.

Horstead added the two-point conversion on a run and with 3:50 left in the half the Tigers owned a lopsided 27-0 lead over the stunned Bulldogs.

The Elba offense played "giveaway" in the third quarter as the Tigers lost three fumbles and had a punt blocked on four

Elba's Anthony Brooks (30) and Kelvin Caldwell (77) combine to stop an Andalusia runner at the line of scrimmage. The Tiger defense turned back repeated

possessions. The Bulldogs had excellent field position after each miscue as Andalusia started drives at the Elba 28, 22, 26 and 17-yard lines; however, the Elba defense refused to allow Andalusia to get back in the game and kept the Bulldogs out of the endzone until Grady Smith

scored on a 16-yard scramble.

Scott Mount kicked the extra point and after a disastrous third quarter the Elba lead was cut to 27-7. The Tiger defense stopped another Andalusia drive at its 15-yard line midway through the third quarter, but a 4-yard punt put

the Bulldogs right back in business and Andalusia got on the scoreboard again when Smith fired a 29-yard touchdown pass to Quinton Bonam with 3:45 left in the game. Mount added the p.a.t. and when the final horn sounded minutes later Elba left the field with a 27-14 win.

Robert Wilson gained 106 yards on 20 carries to spark the Elba offense, while Leon Coleman added 38 yards on 8 carries. The Elba defense was paced by Troy Sanders with 11 tackles and a fumble recovery and Jason Hodge with 9 tackles and 2 assists.

Other leaders on defense included Keith Rodgers (8), Larry Dixon (7 & 2a), Gappa Wise (6 & 1a) and Leon Coleman (6 & 1a). Sophomore quarterback Grady Smith gained 56 yards on 21 carries and passed for 79 yards to lead Andalusia.

## When going to the doctor doesn't fit in your day.

It's probably safe to say that there's no such thing as a short trip to the doctor. Quality medical care just takes time. Unfortunately, not everybody has the time. Maybe it's just a job that can't be missed or a babysitter that can't be found.

That's why at Elba General Hospital we have created a new service called **Mednight**. It was created specifically for people who cannot seem to fit doctors into their lives.

**Mednight** provides primary and minor emergency care from 6 p.m. until 6 a.m., Monday through Thursday and 6 p.m. Friday until 6 a.m. Monday. **Mednight** is located in the emergency room of Elba General Hospital. **Mednight** is staffed by full-time physicians and medical personnel. There is no emergency room fee but there is a fixed fee for the physician visit for covered services, which is significantly less than an emergency room visit. No appointments are necessary.

At Elba General Hospital, we are taking every step we can to help patients receive medical care when they cannot get to their family doctor during the day.

We don't intend to take the place of your regular doctor. In fact, after each visit to **Mednight**, a report is sent to your family physician.

So the next time you find yourself needing a doctor, but needing more time, don't put it off. Meet us as **Mednight**.

## Kinston Bulldogs Bite Ariton Purple Cats 13-6

Kinston's Dodd Hawthorne (12) fights for yardage in last week's 13-6 Bulldog win. Hawthorne scored both Kinston touchdowns as the Bulldogs claimed their fourth win of the season.

By: Danny Belcher

The Kinston Bulldogs bounced back into the win column Friday night by posting a 13-6 upset win over the Ariton Purple Cats, in front of a large crowd in Kinston.

The win upped Kinston's record to 4-5 and gave the Bulldogs much needed momentum heading into next week's showdown with Brantley, while Ariton saw its slate slip to 4-5 with the loss.

Kinston received the opening kick and stunned the highly-favored Cats by marching 66 yards to grab the early lead! Dodd Hawthorne got the score on a 38-yard scamper and Darrell Berry added the extra point to give the Bulldogs a quick 7-0 lead with 10:43 still left in the opening stanza.

An interception by Kinston's Carlton Edwards at the Bulldog 20-yard line stopped an Ariton march midway through the quarter and in the second quarter the Bulldog defense again rose to a Purple Cat scoring threat when it stopped Ariton on downs at the Kinston 34-yard line, allowing Kinston to go in at halftime with a 7-0 advantage!

Ariton received the second half kick and got right back in the hunt as the Purple Cats drove 63 yards to reach paydirt. Robin Bell got the

touchdown on a 1-yard plunge; however, the extra point attempt by Lorenzo Pearson sailed wide, leaving Kinston clinging to a 7-6 lead with 8:00 left in the third quarter.

The Purple Cats began their next drive at the Kinston 36-yard line following a short Bulldog punt and appeared to be headed for the go-ahead score as they marched toward the Kinston goal line.

Ariton got as close as the Bulldog 5-yard line, but could get no closer against the stubborn Kinston defense as Kinston staged a gallant stand and took over on downs at the 5-yard line!

The Kinston defense stopped Ariton on downs at the Bulldog 36-yard line late in the third quarter and following the stand drove 64 yards to extend its lead to 13-6.

Dodd Hawthorne got the touchdown on a 31-yard run and although the extra point attempt failed, the Bulldogs were on top 13-6 with 8:39 left in the game.

Ariton had one final chance to pull out the win late in the game after the Purple Cats recovered a Kinston fumble at the Ariton 26-yard line, but the Kinston defense again proved too tough and held on to post the 13-6 win!

An unidentified Kinston runner butts heads with the Ariton defense in last week's 13-6 victory. Kinston will battle Brantley Friday night in a crucial Class 1A, Area 4 battle, with the winner advancing to next week's state playoffs. The Bulldogs have never qualified for the state football playoffs, while Brantley is one of the state's top playoff participants.

## Sweet Water Ground Attack Flattens Brantley Bulldogs 35-6

By: Billy Wayne Williamson

The Brantley Bulldogs and Sweet Water Bulldogs have met numerous times over the past decade in the Class 1A playoffs and while each game was a battle until the end each was not the case Friday night as Sweet Water rolled to a lopsided 35-6

win over Brantley, in Brantley.

The win upped Sweet Water's record to 8-1 and kept the Bulldogs atop the 1A standings, while Brantley saw its record slip to 1-7 with the loss.

Sweet Water intercepted a Bulldog pass at its 34-yard line early in

the game and drove 66 yards in 15 running plays to score the first points of the night! Kelvin Johnson and Shaun Gamble took turns butting heads with the out-mannered Brantley defense and it was Johnson who got the tally on a 1-yard drive.

Michael Lewis added the extra point and with 3:36 left in the first quarter Sweet Water was ahead to stay 7-0.

Sweet Water got the ball back as its 27-yardline late in the opening stanza and this time marched 73 yards in 10 plays to extend its lead. Ted Marshall and Kelvin Johnson were the workhorses of the march and it was Johnson who got the score on a 5-yard run. Lewis again added the p.a.t. and with 9:56 left in the half the visiting Bulldogs owned a 14-0 advantage.

Sweet Water put the ball in play at the Brantley 44-yardline following a short punt and made it 3 for 3 as it drove 44 yards in 10 plays to stretch its lead to 21-0! Kelvin Johnson was again the star of the drive, but this time it was Shaun Gamble who notched the touchdown on a 1-yard sneek. Lewis added the extra point to give Sweet Water a 21-0 lead with 2:59 left in the half.

Sweet Water received the second half kick and wasted little time adding to its lead as Kelvin Johnson carried the ball seven times to spark the scoring march and Shaun Gamble again got the touchdown, this time on a 36-yard scamper.

Lewis added the extra point and with 6:38 left in the third quarter Sweet Water had taken complete command with a 28-0 lead.

Brantley drove to the Sweet Water 34-yardline on its next series and appeared to be headed for a score; however, the Sweet Water defense stiffened and took over on its 27-yardline following a short Brantley punt. The Sweet Water offense was once again ready to put points

on the scoreboard and drove 73 yards in 13 plays to score its final points of the night.

Kevin Johnson and Shaun Gamble gained huge chunks of yardage during the march, while Michael Watkins got the touchdown on a 1-yard plunge. Michael Lewis made it 5 for 5 with the extra point and with 9:36 left in the game Sweet Water owned a big 35-0 advantage.

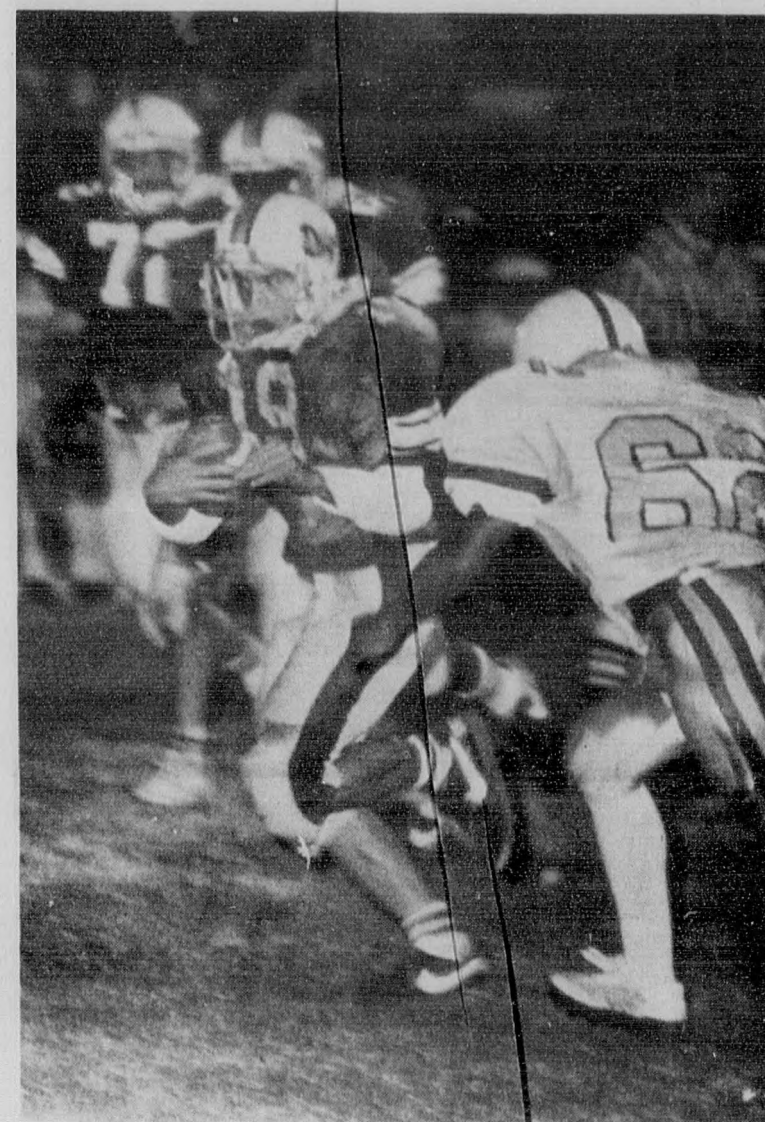

Brantley recovered a fumble at its 35-yardline late in the game and got on the scoreboard as the home-standing Bulldogs drove 65 yards and beat the clock to score a touchdown! Lebron Upshaw, who came in to quarterback when Wesley Persons went out in the first quarter with an injury, displayed his passing ability in the last-minute march and hit 4 passes to spark the drive.

Anthony Elland caught 2 passes for 18 yards during the march, Upshaw caught a pass on a throw-back to the quarterback and Ken Benton caught the touchdown pass, a 14-yarder from Upshaw as the final horn sounded, making the final score Sweet Water 35 and Brantley 6.

Anthony Elland caught 3 passes for 53 yards and Andy Kimbro caught 3 for 41 yards to lead the Brantley offense, while Sweet Water was paced on the ground by Kelvin Johnson with 148 yards on 27 carries and Shaun Gamble with 111 yards on 16 carries.

## Gamecocks Blast Highland Home 42-2

By: Greg Brunson

The New Brocton Gamecocks ran their season record to a perfect 9-0 this past Friday night as they cruised to a big 42-2 victory over the Highland Home Flying Squadron. The Gamecock defense again set the tone for the game as they claimed 3 interceptions along with 3 fumble recoveries.

The very first play from scrimmage resulted in the game's first turnover as Robert Kilow claimed an interception at the Gamecock 40-yard line.

It took only 6 plays to cover the 60 yards to the end zone with Louis Page scoring from the one-yard line. Toby Lee's point-after failed to leave the score 6-0 with 8:17 left in the first quarter.

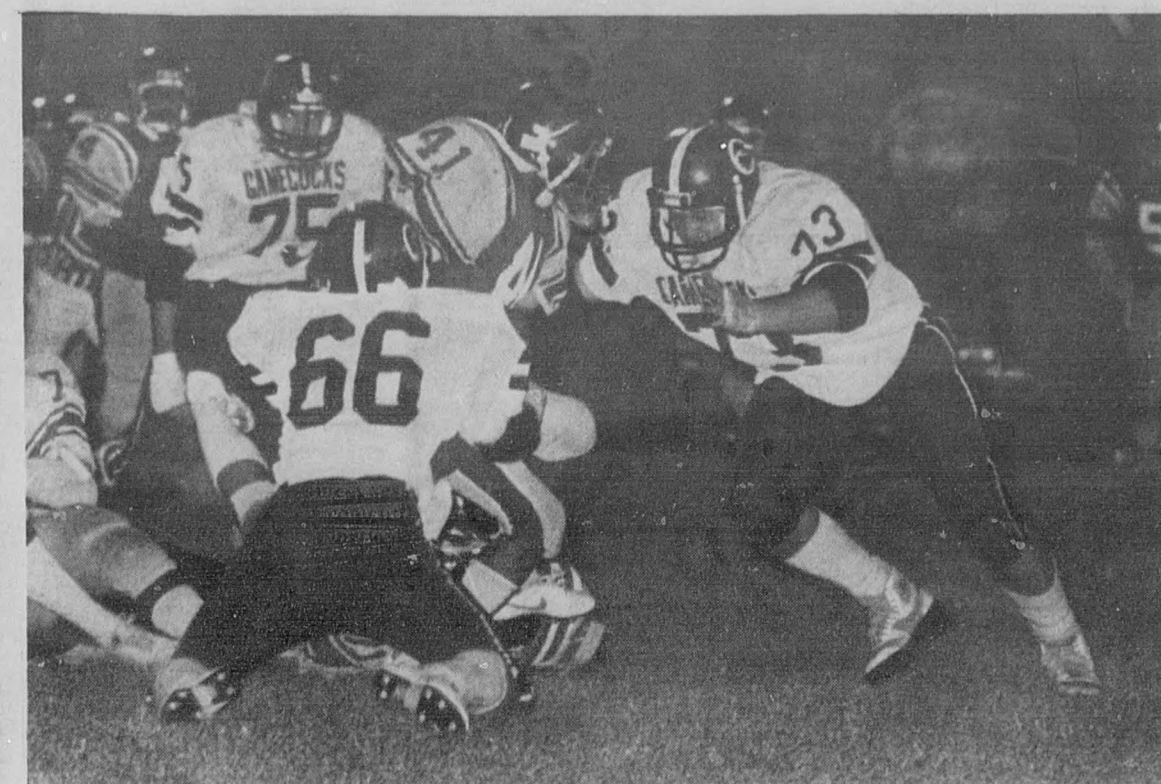

The next New Brocton score came on a 16-yard run by Qn Burrows to cap a 32-yard, 3-play drive. This was set up by a fumble recovery by Scott Maddox. Donnie Smith ran for the two-point conversion to stretch the lead to 14-0 with 5:23 to go in the first.

Robert Kilow carried 31 yards for the next touchdown to complete a 3-play drive that covered 65 yards. Lee's p.a.t. was good to make the New Brocton lead 31-0 with 1:02 remaining in the first quarter.

The New Brocton defense halted Highland Home on their next two possessions as Scott Maddox claimed his second fumble recovery and Donnie Smith intercepted a Kelley Rhodes pass at the Highland Home 38-yard line.

On the second play Robert Kilow raced 35 yards to claim his second touchdown of the game. Lee's point-after again failed, making the score 27-0 with 4:40 still to play in the first half.

The Gamecocks wasted little time scoring as the second half began. Donnie Smith passed to Toby Lee for the final 21 yards on this 4-play drive

New Brocton's Phil Smith (66) and teammate David Smith (73) combine to stop a Highland Home runner for no gain in last week's 42-2 win. The win gave the Gamecocks the Class 2A, Area 5 title.

that covered 37 yards. Robert Kilow ran for the two-point conversion to give New Brocton a 35-0 lead with 9:32 left in the third quarter.

The lone points for the Flying Squadron came as Donnie Smith retreated to fall on a bad snap in the end zone on an attempted punt. This cut the lead to 35-2 with 1:51 remaining in the third quarter.

New Brocton's last score came after Joey Caylor recovered a Highland Home fumble at the Squadron's 38-yard line. Louis Page

carried the last 17 yards on the fifth play of the drive for his second touchdown of the game.

Lee ended the scoring with the point-after with 11:24 to go in the game.

Final score - New Brocton 42 - Highland Home - 2.  
Robert Kilow was the game's leading rusher with 141 yards on 10 carries while Louis Page added 64 yards on 13 tries for the Gamecocks. New Brocton returns home this Friday night in an attempt to put the

wraps on a perfect 10-0 season. Their opponent will be the Zion Chapel Rebels.

## Rebels Ambushed In Goshen 48-12

By: Ronny Shiver

Goshen took the opening kickoff from Zion Chapel and drove from their own 20 down to the Rebel 15, where it missed a 4th down field goal. The Rebels took over on their own 20, but a first down pass attempt from Sean Collins to Pete Bryan was picked off by Goshen, who 5 plays later drove into the end zone for a touchdown.

The extra point missed but the Eagles took the lead 6-0 over the Rebels with 4:12 to go in the first quarter.

The Rebels' Thomas Boswell took the kickoff and ran it back from 14 yards, however, after a series of penalties and lost yardage the Rebels had to punt.

The Eagles took the ball on the Rebel 43, and along with a 27-yard pass completion, drove into the end zone again for a TD, 45 seconds into the second quarter!

A two-point conversion play missed, but the Eagles went up 12-0. Both teams then traded a series of downs, with Goshen intercepting a 3rd-down pass and running it back 14 yards to the end zone for another touchdown. This time the 2-point conversion was good and the Eagles pushed their lead to 20-0.

The Rebels took the kickoff again and gained a couple of first downs, but again had to punt. The Eagles took the ball with 37 left in the half and in 6 plays drove 73 yards for another Goshen TD as time ran out in the half!

The extra point went through and the Eagles left the field at halftime with a 27-0 lead over stunned Zion Chapel.

The second half got underway with a 15-yard penalty being stepped off against the Rebels for unsports-

manlike conduct against the coaching staff during halftime.

The Rebels took an onside kick back to their 47-yard line, but a third-down pass was intercepted by Goshen and taken back to the ZC-32.

After receiving a series of penalties, the Eagles took the ball back over to Zion Chapel on its own 28, but once again a 3rd-down pass was picked off by Goshen on the ZC 42.

On the next play the Eagles' Mike Pelton ran 42 yards to the end zone for another Goshen TD. The extra point attempt went through and the Eagles stretched their lead 34-0.

Boswell took the kickoff on the 7 and ran it back out to the 20-yard line, where Zion Chapel put together its only successful drive of the night, with Boswell taking in a Collins pass for 24 yards and a touchdown. The Rebels failed on a 2-point conversion play, but with 4:23 left in the third quarter, got on the board, making it 34-6.

The Eagles took the ball but fumbled it away to Zion Chapel, who failed to convert on 4th and lost the ball back to Goshen on downs, to end the third quarter.

Goshen took the ball and drove 65 yards for a touchdown. The extra point hit and with 7:59 left in the game went up 41-6.

On the kickoff Thomas Boswell took the ball on the 10-yard line and ran 90 yards downfield for a Rebel TD! This time the 2-point conversion was good and the Rebels gained a little ground, but trailed 41-12.

Goshen scored once more to make the final score 48-12 and handed the Rebels their 6th defeat of the season.

## Where To Hunt Rabbits!

By: Stanley D. Stewart  
Ala. Dept. of Conservation  
and Natural Resources

Rabbit hunting is the fourth most popular sport in Alabama. Hunters get great enjoyment running rabbits with a pack of spirited beagle hounds. Over the years, many a young hunter has stood with nervous anticipation in front of a likely brush pile, his gun ready in hopes of a

cotton tail. But many youngsters today have never experienced this exhilaration, and many older hunters must be satisfied with memories of the beagle chase.

Alabama has less than half the rabbit hunters it had 20 years ago. Why? The answer may lie in the popularity of deer hunting, urban rather than rural living, and partially in the scarcity of rabbits.

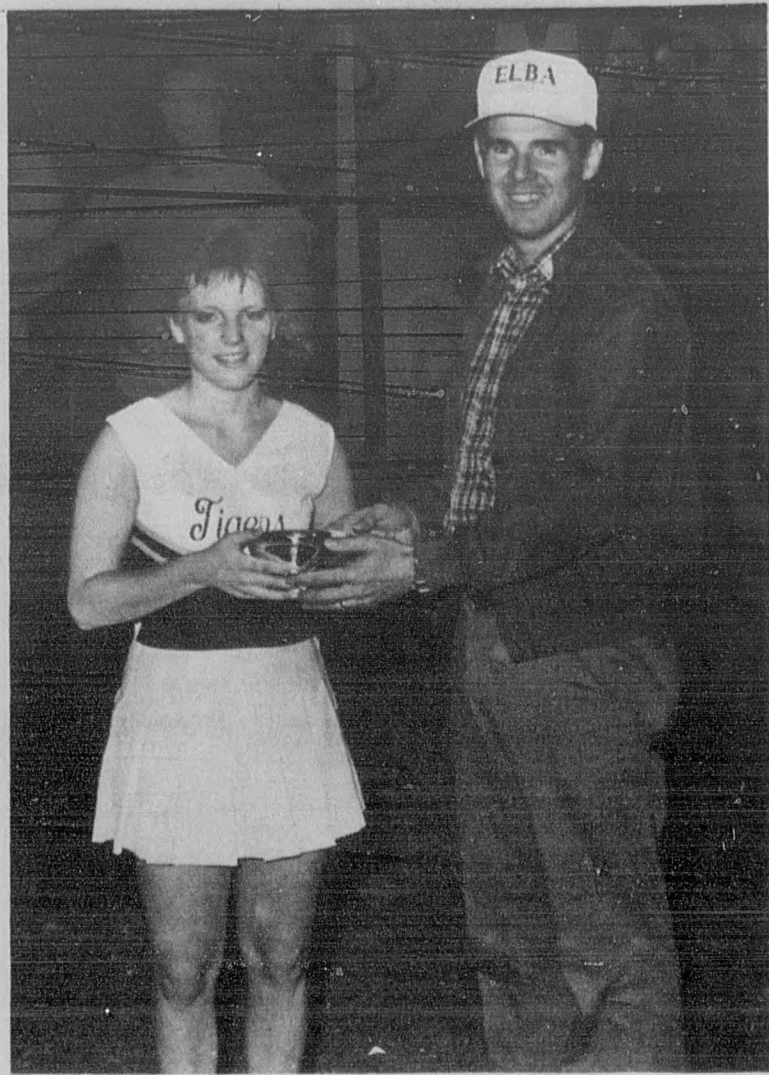

The fundamental reason for limited and declining rabbit populations is absence of habitat; much suitable habitat disappeared as a result of human population growth, urban sprawl, intensive agriculture, and extensive timber management. Only a magician could make a rabbit appear at some sites.

In the wild, however, you can't pull rabbits out of hats, and the only magic word is habitat. Rabbit hunting was popular years ago because rabbits were abundant under the patchwork farming regime which dominated the countryside. Idle fields, briar patches, and brush

piles overgrown with honeysuckles dotted the landscape - ideal for rabbit and quail. With a good pack of beagles you could usually bag your limit of rabbits.

A modern substitute for the old quality habitat is a clearcut timber stand a couple of years after clearing.

Rabbits require succulent forage provided by a variety of plants that grow naturally. Beneficial cultivated crops include oats, wheat and clover. Rabbits also require cover such as in briar patches, honeysuckle tangles and brush piles. All are prime places to check when rabbit hunting.

## Halloween Is The Time Of The Year To Use Safety Tips

The U.S. Consumer Product Safety Commission has issued a safety alert to parents and guardians of children who go trick-or-treating on Halloween. The Commission particularly emphasized the importance of careful examination of all treats before the children are allowed to eat them. Children should not eat any of their treats before they go home.

The Commission also recommended the following safety tips to parents and children:

"Costumes, masks, beards and wigs should be labeled 'Flame Resistant'. Although this does not mean they won't catch fire, such labeling indicates that they will resist burning and should extinguish quickly once removed from the

ignition source. Flimsy materials and outfits with big, baggy sleeves or billowing skirts should be avoided to minimize the risk of contact with candles or other sources of ignition.

"Costume colors should be light and bright enough to be clearly visible in dusk or darkness, costumes should be decorated or trimmed with reflective tape which will 'glow' in the beam of a car's headlights. Bags or sacks should also be light colored and decorated with reflective tape. Reflective tape is usually available in hardware, bicycle, and sporting goods stores. Children should also carry flashlights to see-and-be seen-more easily.

"Hats should be tied securely to prevent them from slipping over children's eyes.

"Apply a natural mask of cosmetics rather than have a child wear a loose fitting mask which might restrict breathing or obscure vision. If a mask is used, make sure eyeholes are large enough to allow full vision and make sure the mask fits securely.

"If swords, knives or similar accessories are carried, they should be soft flexible material.

"Smaller children should always be accompanied by an older responsible child or an adult. All children should use the sidewalk rather than walk in the street and they should walk not run from house to house. Children should be cautioned against running out between parked cars and across yards and lawns where ornaments, furniture or clotheslines present danger.

"Children should only go to home where residents have outside lights on as a sign of welcome. Children should not enter homes or apartments unless they are accompanied by an adult.

"Those receiving trick-or-treaters should remove anything that could be an obstacle from steps, lawns and porches. Candelik jack-o'-lanterns should be kept away from landings and doorsteps where costumes could brush against the flame. Indoor jack-o'-lanterns should be kept away from curtains, decorations, or other furnishings that could be ignited.

"Parents should encourage home parties and celebrations in place of trick-or-treating.

"Consumers wishing to further information may call the CPSC toll-free Hotline at 800-638-CPSC (2772). The telephone number for the hearing impaired is 800-638-8270.

## McArthur Tech Receives \$65,000 Grant

MacArthur State Technical College recently received notification that it has been awarded a one-year cooperative education grant to establish a co-op program to provide for the needs of students and industry.

Total funding for the project, \$65,537, includes federal funds in the amount of \$59,424. The college applied for federal funds after a year of research and consultations with employers, craft committee members and students. Members of a recent visiting college of the Southern Association of Colleges and Schools endorsed plans to provide on-the-job training for students.

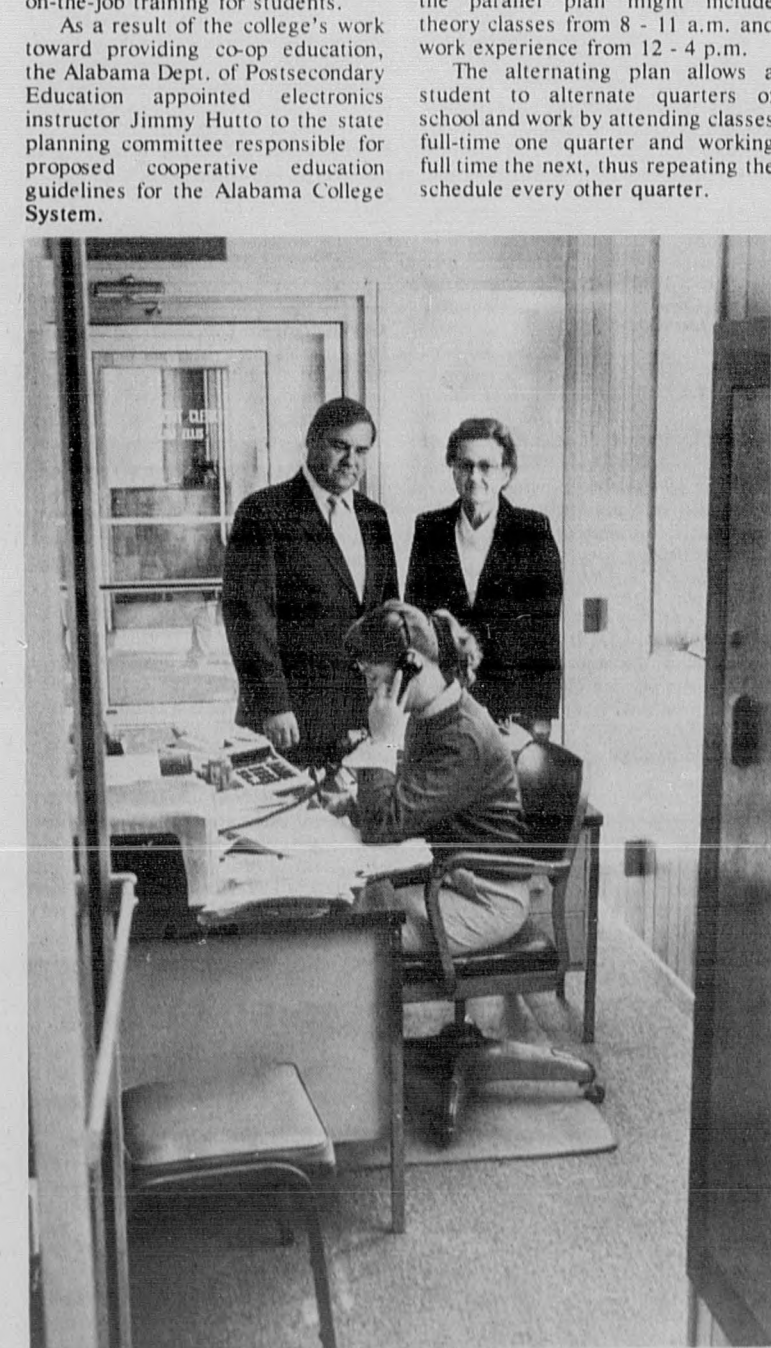

As a result of the college's work toward providing co-op education, the Alabama Dept. of Postsecondary Education appointed electronics instructor Jimmy Hutto to the state planning committee responsible for proposed cooperative education guidelines for the Alabama College System.

According to Peggy Linton, development officer, eligible students may begin co-op work experiences in December.

"Student and employer surveys have indicated a need for both parallel and alternating work experiences," Linton stated, "so both types of co-op experiences will be available to suit student and employer needs."

The parallel plan requires that a student be employed in a part-time work experience directly related to the student's field of study for a minimum of 20 hours per week. A typical daily calendar for students on the parallel plan might include theory classes from 8 - 11 a.m. and work experience from 12 - 4 p.m.

The alternating plan allows a student to alternate quarters of school and work by attending classes full-time one quarter and working full-time the next, thus repeating the schedule every other quarter.

## Stewart Enjoys Trip To England

Lamar Stewart of the Chestnut Grove Community enjoyed a vacation to England and Scotland Sept. 15 through Oct. 9.

His tour began at Salisbury in Southwest England, to Salisbury Cathedral, Winchester Cathedral, Winchester School (one of the oldest public schools in England), old Sarum, Stonehenge and the Wiltshire countryside.

In Scotland he attended the annual gathering of the Stewart Society of Scotland, which met in medieval Laigh Hall which forms a part of the historic Parliament House whose parliament last met in 1707.

Sunday he attended worship service at the St. Giles Cathedral and visited with members of the Stewart Society. Other points of interest included Glasgow, Paisly Abbey, Darnley, Stirling and Doune Castle; Falkland Palace, rides through the central and west central highlands, including a boat ride on Loch Lomond.

Back in England the trip included a visit to Bedford where he attended the wedding of the son of Rev. Protherow, pastor of John Bunyan Church. At this point Stewart visited with old acquaintances he met in 1958. He was stationed near here with the U.S. Air Force 1958-1961.

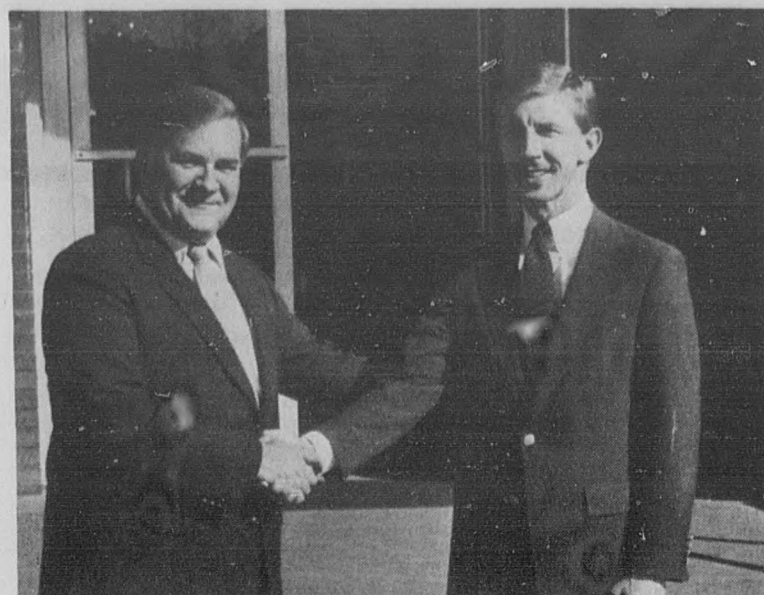

As well as visiting with Rev. Protherow, Stewart also met with Mr. Claude Circuit, church clerk, and learned that 1988 will be the tercentennial commemoration of John Bunyan's death.

At Oxford Stewart conferred with officials at the Bodleian Library about old Bible manuscripts and early editions of the Bible. He visited historic landmarks in London, including Bunhill Field, burial place of John Bunyan, along with Dr. Isaac Watts, Susanna Wesley and other non-conformists to the established Church of England in the 1600's.

Stewart visited the British Museum, Canterbury, where Christianity was established in England in 597 AD as the king was converted and allowed Augustine to set up a Christian community and church.

Hastings and Battle Abbey where the battle with the Normans took place in 1066, was on the agenda, as well as Arundel Castle, owned by the Duke of Norfolk who is in charge of royal ceremonial occasions.

Then it was back to Gatwick Airport for the return trip home to Alabama.

The Annual Financial Statement and supporting data for the Fiscal Year 1986-87 was prepared by the Coffey County Commission Office, Elba, Alabama during the hours of 8:00 A.M. and 5:00 P.M. Monday thru Friday for Public Inspection.

I, Marion B. Brunson, Judge of Probate and Chairman of the Coffey County Commission do hereby certify that the foregoing is a true and correct financial statement of Revenue and Expenditures of the Coffey County Commission, Coffey County, Alabama for the period of October 1, 1986 through September 30, 1987.

Sworn to and subscribed before me this 27th day of October, 1987.

My Commission Expires on 02-27-88.

## Oglesby Attends

## Unit Commanders

## School

1st Lt. Edlow G. Oglesby of Elba was among 30 Alabama Army Guard members attending a Unit Commanders School at the Alabama National Guard Military Education Center at Craig Field in Selma, September 19-25.

Oglesby is a member of Battery B, 2nd Battalion 117th Field Artillery in Elba.

The 50-hour course of instruction is designed to orient and familiarize Guard commanders or those scheduled to assume command of their duties and responsibilities in various functional areas.

The program of instruction was developed from input submitted by the major Army Guard commands in the state and from the various divisions of the State Military Department. Instructors in the course are full time technicians in the Alabama Army Guard.

Subject areas covered included logistics, maintenance, recruiting and retention, training, publications, personnel, public affairs, marksmanship program and state property and fiscal procedures.

This is the thirteenth such course conducted in Alabama, one of the first states to offer it. National Guard Bureau conducts such a program on the national level, but quotas are extremely limited. Conducting the course at the state level is more economical for the Alabama Guard in cutting travel costs, thus allowing more commanders to attend the course.

I hereby certify that the above is true and correct to the best of my knowledge and belief.

C. W. Crews  
C. W. Crews, Superintendent

Sworn to and subscribed before me on this 27th day of October 1987.

## NOTICE OF MORTGAGE FORECLOSURE SALE

WHEREAS, James R. Nobles and wife, Ruby Lee Nobles, executed to the First National Bank of Opp (now SouthTrust Bank of Covington County, N.A.), a mortgage upon the real estate hereinafter described to secure a promissory note executed on the same date to First National Bank of Opp, by James R. Nobles, and wife Ruby Lee Nobles, said mortgage being recorded in the Office of the Judge of Probate, Coffee County, Alabama, at Elba, Division, in mortgage book 69-A, page 93-94; and

WHEREAS, default has been made in the payment of indebtedness secured by said mortgage and/or in the performance of the terms of said mortgage, and said mortgage being recorded in the Office of the Judge of Probate, Coffee County, Alabama, at Elba, Division, in mortgage book 69-A, page 93-94; and

NOW THEREFORE, SouthTrust Bank of Covington County, N.A., as successor in interest of the First National Bank of Opp will sell under and by virtue of the power of sale contained in said mortgage, the legal hours of sale on November 17, 1987, at public auction, to the highest bidder, at the front door of the Coffee County Courthouse, in the City of Elba, Alabama, the real estate embraced in said mortgage described as follows:

Parcel 1 - The Northwest Quarter of Section 21, Township 3 North, Range 19 East, in Coffee County, Alabama, containing 160 acres, more or less, including all improvements thereon.

Parcel 2 - An undivided one-half interest in the following property: The Northeast Quarter of the Southwest Quarter, the Southeast Quarter of the Southwest Quarter, the Northwest Quarter of the Southeast Quarter, less that part lying East of Cripple Creek, all in Section 21, Township 3 North, Range 19 East, in Coffee County, Alabama, including all improvements thereon.

LESS AND EXCEPT, an undivided one-half interest in all gas and other minerals, which was heretofore reserved by the Federal Land Bank of New Orleans in its deed to Joe G. Nobles and Randall Nobles dated 1 October 1941, recorded in Deed Book 7-A at Page 116.

Said foreclosure sale will be made under the terms contained in said mortgage, and in accordance with the law in cases made and provided, for the purpose of paying the indebtedness secured by said mortgage, all unpaid taxes, together with the expense of foreclosure, including a reasonable attorney's fee.

## ROUND & ABOUT WITH ERIA

897-2006

And when the queen of Sheba heard of the fame of Solomon, she came to prove Solomon with hard questions at Jerusalem, with a very great company, and camels that bare spices, and gold in abundance, and precious stones; and when she was come to Solomon she communicated with him of all that was in her heart. And Solomon told her all her questions; and there was nothing hid from Solomon which he told her not. And when the queen of Sheba had seen the wisdom of Solomon and the house that he had built, and the meat of his table, and the sitting of his servants, and the attendance of his ministers, and their apparel; his cupbearers also, and their apparel; and his ascent by which he went up into the house of the Lord; there was no more spirit in her. And she said to the king, It was a true report which I heard in mine own land of thine acts, and of thy wisdom. II Chronicles 9:1-5

## David Johnson Is Scholar Of Art & Sculpture

Mr. David Johnson and his wife Ester live on Rt. 4, Elba. He was born in Elba in the Shiloh Community, has traveled extensively and considers himself a scholar of art and sculpture.

Johnson says the statues he exhibits in his home and yard (front and back) contain many memories for him; and as I talked with him and his wife I found that there was an interesting history of his work.

"Once upon a time" there was a room on his house that was his museum where his artistic work was exhibited, but a storm took the top off it and destroyed some of his pieces - and now the statues are in the yard.

But on the inside of his house he does have an earth monster he made out of copper wire and parts from a washing machine. The eyes are bulbs from a car, the pedals are made from steel out of a freezer and the claws are made from copper wire as is the beard.

He made forks and rings from silver, a bracelet from copper as well as a piggy bank. He has many buggies he made from parts of a tractor, a jockey car, using orange crates, a stage coach using a recliner and screen doors, a bathtub buggy.

There, on the front lawn is the

statue of an angel, the wings made of hub caps.

Mr. Johnson is "up to par" on many subjects. He was educated at Yelverton School, Florida A&M, law course from the late J.C. Fleming. He is a member of Mt. Calvary M. B. Church, Elba, Rev. John E. Jones, pastor.

Johnson's trusty stallion named "Man" is his pride and joy. Johnson said, "I schooled Man every day and he obeys me. I don't use any lines to pull him the way I want to go. If I'm walking ahead of him, I just point the way to go, and he knows a stop sign when he sees one. I keep him in a stable and care for him."

He commented, "I've been to the school of 'hard knocks,' walked 'barefooted' in the snow and rain when I did go to public school. Very seldom I could go because I had to work. I've been bruised and scored, but I still trust in the Lord."

Mr. Johnson, I enjoyed talking with you. God bless!
